Thanks, Rusty. The 2 calls will be at 1:00 pm and 1:30 pm on Tuesday, January 29, right?

I just booked the block. It is two separate calls. Regions first then SLAs (with the regions invited to listen to this call too).

Thanks Rusty. Are we having conference calls with both the Regions and States, or only the States, on Tuesday?

Who informed you of this?

We need to update the communications strategy to reflect this.

Thanks again,

Carol

We are doing the call on Tuesday with press release on Wednesday. I was informed of this after I sent out the first round of invites.

I think it would be best to have the conf. call with the states on Tuesday rather than on Monday; otherwise, we are essentially making the announcement on Monday, and doing everything else 2 days later after the word is out.

Rusty, did Rick weigh in on this?

Thanks,

Carol

Yvette,

My guess is that PRD made this a place holder before it was determined that region and state calls will be 2 days prior to the announcement date.

Confused... I was looking for a conference room for the calls on Monday. Has this been changed to Tuesday?
